

Everest Base Camp- The Journey to the stunning Vistas and serene Mountains

Trip Overview

Get ready for the Everest base camp trek, which is considered one of the toughest trails to a challenging route of the tallest Mountains in the world, serves a magnificent view of the wonderful Himalayas along with a glimpse of Nepal's history and culture held by the people in the region. Everest Base Camp Trek is a journey to the highest peak in the world which is 8,848 meters and other Himalayas residing in its lap enclosing Mt. Lhotse, Cho Oyu, and Mt. Makalu.

With the lush forest of Rhododendron and Juniper, you will observe the beautiful and raw beauty of the Mountains and Everest residing in the lap of the tall

Himalayas along with the high suspensions, the manifolds of Sagarmatha National Park, and the magnificent view of the world's highest airport at Syangboche. The welcoming people of Namche Bazar and the Sherpas will display a brief illustration of Nepali Culture. The Sherpas are prominent mountaineers and guides of the Khumbu region who will be your companions throughout the trek. This 12- 16 day trek will introduce you to the spectacular and tallest mountain in the world and the highest Glacier on earth- Khumbu Glacier and the perspective of Nepal from a nonnative panorama.

The refreshing yet short flight from Kathmandu to Lukla will lead you to the Khumbu region where you will be surrounded by several monasteries, temples, and many more. Your first glimpse of Everest shall be from the gateway of Everest which is Namche Bazar. Sagarmatha meaning the head of the sky is another name for Everest which is at an altitude of 5,364 meters, but the views from the Camp are well worth the effort.
