

Island Peak Climbing with Gokyo-Cho La Pass

Trip Overview

Here's a package where one can conquer the Gokyo Lake Trek with an ascent of Island Peak simultaneously. The most-awaited adventure in the Everest region now involves mountaineering too. It is challenging, but the summit of Island Peak offers stunning views from the top.

Following the Dudh Koshi River, you first ascend to Gokyo Valley. Thereafter, you can spend a few days crossing Cho La Pass, at an altitude of 5420 meters above sea level. Constantly changing high-alpine meadows, air, and magnificent views of the Everest massif, Mt. Lhotse, and Makalu.

The final destination lies in the short climb to Island Peak, at an elevation of 6,189 m. But before, you can have steep sections before reaching Island Peak Base Camp, at 5100 m elevation. Take a backtrack to Namche Bazar, Lukla, and fly back to Kathmandu; from there, you will have an everlasting memory.

Pure Adventure Nepal is a local trek operator who can make your experience in the Himalayas a pleasant and adventurous one. With 15 proven years of success, we offer a safe and enjoyable level of trek and excellent customer service.

So, are you ready to pursue a memorable adventure in the heart of the Everest region?

Faqs

1. Which is the best trekking company for Island Peak climbing?

If you are the one eyeing on excellent trek services plus extraordinary Himalayan adventure, do book your trek with Pure Adventure Nepal. We also offer different itinerary options and blend packages to tailor your interests. Find our Island Peak climbing package with Gokyo- Cho La Pass.

2. What time of year is suitable for Island Peak climbing?

Climbers find it suitable to summit on the Island Peak during the seasons of spring (March-May), and autumn (September–October). It's because fewer risks of snow accidents exist. Plus, predictable weather conditions are seen, and stable adventure activities can be performed during these peak seasons.

3. What permits are required for Island Peak Climbing?

Under the package of Island Peak Climbing with Gokyo Cho-La Pass, you need permits for the Sagarmatha National Park permit and a Trekkers' Information Management System (TIMS) card.

4. How difficult is Island Peak Climbing?

Island Peak climbing involves a short climb to the Island peak, involving the use of ice crampons and basic mountaineering skills, and can get challenging to some extent. But with the needed guidance and preparation, one can conquer the summit and mark satisfaction through varied terrain, glacial valleys, and rocky trails.

5. What equipment is required for Island Peak Climbing?

Mountaineering gear like a helmet, warm layers, climbing boots, ice axes, and harnesses are required for Island Peak climbing.
